I, the undersigned, am the patient, or the patient's duly authorized representative, and do hereby voluntarily consent to and authorize medical care and treatment by George W. Vick II, M.D. P.C., Amy Brackins A.P.R.N., B.C., M.S.N., employees, and/or agents. This care and treatment encompasses all diagnostic and therapeutic treatments considered necessary or advisable in the judgement of the physician.

I am aware that the practice of medicine is not an exact science and I acknowledge that no guarantees have been made to me as to the result of treatments or examinations performed by the physician or nurse practitioner.

I acknowledge that I have received a copy of the Notice of Privacy Practices and I understand that the notice is also posted where services are provided.

To protect against the transmission of blood-borne diseases such as Hepatitis B and Acquired Immune Deficiency Syndrome, I understand that it may be necessary to test my blood for certain diseases while I am a patient here. I understand and consent that my blood, as well as the blood of any person accidentally exposed to my blood, will be tested. I further understand that my blood will not be tested for these diseases unless ordered by my physician and that the results of all tests will be kept confidential.

I have read this form, or had it read to me, and I certify that I fully understand and accept its contents unless noted.
